I authorize First Insurance Funding to withdraw loan payments from my account with the financial institution I have indicated. The financial institution is authorized, pursuant to the terms of any respective premium finance agreement I may have with First Insurance Funding, to debit the amount(s) currently due, including any fees or other charges.

The authority will remain in effect until I have given 30 days written notice of its termination or until First Insurance Funding or my financial institution has given me 10 days notice that this direct debit has been terminated. I understand that I must give advance notice to allow reasonable time for my instructions to be executed. If ever an incorrect amount should be entered into my account, I authorize my financial institution to make the appropriate adjustment.
